# CHRISTMAS ON CAMPUS

Christmas is an exciting time on Wesleyan's campus. Among the activities is the Festival of Lessons and Carols. The Concert Chorale sings about Christ's birth in Wesley Chapel. Following the singing, the Christmas tree is lighted during the candlelight singing of Silent Night. Of course the greens hanging in the chapel are all hand made during the making and hanging of the greens. This weekend long activity is rewarding to all. Finally, children from area schools come to Wesleyan to partake in many Christmas activities. Each Wesleyan group plans an activity to keep youngsters enthralled. By the end of the festivities, everyone is ready for the holidays.

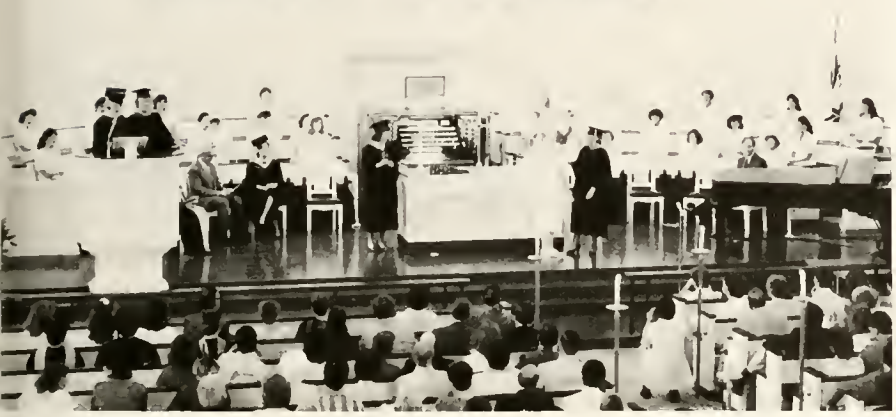
# PINNING CEREMONY



For the senior student nurses of Wesleyan, the pinning ceremony is an exciting and thrilling event of their lives. One could equate it with Commencement. The pinning ceremony brings to a close four struggling years. Nurses experience early hours, late nights, tedious studying and never ending friendships. The pinning ceremony consists of singing, reminiscing, and memories. It is not unusual to leave the ceremony with a tear in your eye. Students leave the ceremony feeling like the nurses that they are.

"ALMA MATER OF THE MOUNTAINS"

Alma Mater of the Mountains,
West Virginia Wesleyan,
At thy magic, mystic fountains
Noblest dreams of life began.
We, thy children, bow before thee;
We, thy children, now adore thee,
And pledge God, who watches o'er thee,
Thou shalt fill the ample measures of His plan.

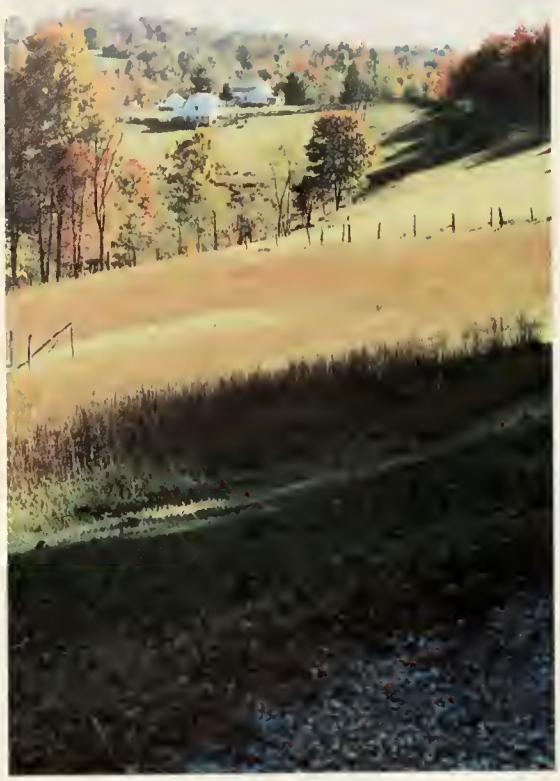
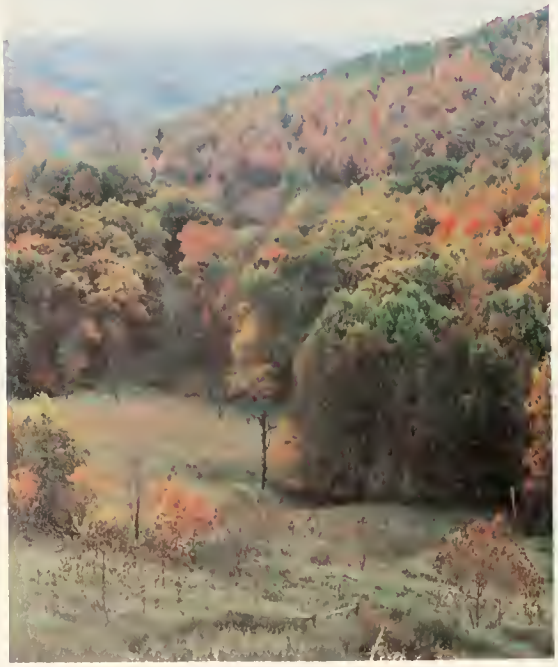
The end of another perfect day at West Virginia Wesleyan College.



"MY HOME AMONG THE HILLS"

There is a land of rolling mountains where the skies are blue above and though I may roam, I hurry home to the friendly hills I love. Where the moonlit meadows ring with a call to whippoorwills always you will find me in my home among the hills. And were the sun draws rainbows in the mist of waterfalls and mountain rills.



My heart will be always in the West Virginia hills. There autumn hillsides are bright with scarlet trees and in the spring, robins sing while apple blossoms whisper in the breeze and there is music in the flashing streams and joy in fields of daffodils laughter through the happy valleys of my home among the hills.

Wesleyan's radio station, better known as FM92, can be heard daily on the radio dial. FM92 plays music that its listeners want to hear — everything from pop to new wave to Jazz to heavy metal. They also keep the campus updated on the latest campus activities. If you want to find information — tune your radio dial to FM92.

# IFC

Interfraternity Council is the governing body of the six Greek fraternities. The advisor for IFC this year was Janet Fike. President Tom Salata called the meeting to order every week so that the group could discuss any problems that may have arisen during the week or a new policy that must be put into effect. IFC ties the fraternities to each other and to the school.

# PANHELLENIC COUNCIL

Panhellenic Council is the governing body of the four Greek sororities. The advisor for Panhellenic Council this year was Mrs. June Rose Simmons. # J-TERM ROCKS

January is a time for early classes and long, relaxing afternoons. Along with catching up with who is killing who on the favorite afternoon soaps, a night of fun-filled events can be found on campus. Such activities as stand-up comedy, golf, and the all time favorite Family Feud kept many students laughing

Middle Right — Hey Reuben, quit staring at the blonde in the front row! Lower Left — One robot for rent. Loves music. Lower Right — Would Arnold Palmer use this technique?

# WINTER FUN

J Term fun consists of many different activities. If one likes golf, one can partake in the CAB's version of miniature golf in the Green Room. *Life, The Universe, and Everything*

Is it the center of the Universe? No, but it is the center of the school. The Benedum Campus Community Center, otherwise known as the Scow, is the official gathering place of Wesleyan students. If a person sits outside long enough, they are bound to see everyone on campus as they come to check their mail, buy something at the bookstore, or just hang out. Students get together to discuss life, classes, the meaning of the universe, or just about everything.

# SPIRIT GIRLS

Spirit girls. The girls who we see at every sporting event. The girls who get the spectators on their feet to cheer on the Bobcats. The girls who get the crowd to show their spirit. At Wesleyan, there are many of these spirit girls. There are the cheerleaders who stand on the sidelines or run out and make a pyramid during time-outs. There are also the dancing Bobcadettes who strut their stuff during half time. There is also feature twirler Connie Allen who twirls batons, swords and hoops during half time. Spirit girls — cheer with them.

Special thanks to our advisors Janet Fike and Dean Ruhlow.

Well, here is your yearbook, after all the hard time and hard work.

We have several thanks to go out. First, thanks to all the staff members and advisors who worked on this book and helped to get this book out. We would also like to thank Ron and Doug Richardson for their help and guidance over the past two years. We thank also the staff of the campus center and everyone who took the yelling in our absence.

We would also like to thank the people who helped to get the necessary materials especially Deanna and Marie. And to the people who promised us materials, we are sorry you could not get it to us until eight months later and even then not get what we requested.

Last but not least, we would like to wish the class of 1987 all the best that life has to offer. To Phi Sigma Epsilon and Zeta Tau Alpha, may you both keep going as strong as you have always been.
